ABOUT ME

Hi there! I'm Christine - a family and event photographer, wife to my supportive husband, and mother to my 2 amazing kids! I've had the privilege of capturing the heart and soul of many families through the lens since 2008 and absolutely love what I do!

YOUR SESSION

Your mini session will be a blend of elegantly posed portraits and casual candids! Session can be done in studio or at a location within 15 miles of 95008. We also offer a gorgeous selection of maternity gowns to choose from that are guaranteed to photograph beautifully! Mini maternity sessions are only available for expecting mothers and do not include additional family members. Sessions include one outfit and one studio setup/location. For more wardrobe change options, setups, and to include additional family members, please consider booking our **signature maternity sessions.**
